## Understanding Your Life Coverage Benefits

### Am I Eligible For Coverage?

To be eligible for coverage, you must qualify as an eligible member and be considered actively at work.

You will be considered actively at work if you are able and available for active performance of all of your regular duties. Short-term absence because of a regularly scheduled day off, holiday, vacation day, jury duty, funeral leave, or personal time off is considered active work provided you are able and available for active performance of all of your regular duties and were working the day immediately prior to the date of your absence.

Spouse and child coverage is not available.

### What Additional Benefits Are Included?

<b>Coverage During Disability</b>	If you become totally disabled before age 60, coverage will continue and premium will be waived. You must be totally disabled for 9 months before the waiver begins. Coverage continues without premium payment until you recover or turn age 65, whichever occurs first.
<b>Accelerated Death Benefit</b>	<p>If you are terminally ill you can receive up to 75% of your benefit amount in a lump sum, not to exceed \$250,000, as long as:</p> <ul style="list-style-type: none"> <li>• Your life expectancy is 12 months or less (as diagnosed by a physician), and</li> <li>• Your death benefit is at least \$10,000.</li> </ul> <p>If you use the accelerated benefit, your death benefit is reduced by the accelerated benefit payment. There are possible tax consequences to receiving an accelerated benefit payment. You should contact your tax advisor for details. Receipt of accelerated benefits could also affect eligibility for public assistance. The charge for this benefit is included in the premium.</p>
<b>Individual Purchase Rights</b>	If you terminate employment, you may be able to convert coverage to individual life coverage. Upon coverage termination your employer is required to inform you of your individual purchase rights to convert to an individual policy without proof of good health. The amount you can purchase varies depending on the termination situation. Contact Principal Life for details.
<b>Claim Processing</b>	Principal Life makes claim administration easy and convenient for employers by offering an online life claim form. Once the form is complete, employers submit the information directly over a secure, confidential Web site, expediting the claim review process. The employer can choose to use the online form or a printable version that can be faxed or mailed. Along with the online claim form, Principal Life also provides Express Claim Processing for claims that meet certain criteria. Through the Express Claim Process, decisions are reached within five working days without the employer or beneficiary submitting paperwork.
